

Zantech IT Services, Inc., a U.S. Coast Guard prime contractor, is a diversified small disadvantaged business headquartered in Vienna, VA, that has an extensive track record of successfully providing information technology and program management support services to a broad spectrum of Federal Government customers. Zantech's focus on employee retention and continued professional growth coupled with its commitment to provide quality services to our customers has led to steady growth and recognition by Inc. magazine as the #1 fastest growing company in the Government services sector in 2012.

Zantech has teamed with Enterprise Information Services, Inc. (EIS) to pursue an opportunity to provide contractor support services to the U.S. Coast Guard Project Residence Office (PRO) in Lockport, LA, for the SENTINEL class patrol craft. Zantech and EIS invite you to stop by the Holiday Inn Express at 4716 Highway 1, Raceland, LA 70394 between 3:00 pm and 7:00 pm on Wednesday, May 29 to meet our company representatives and discuss job opportunities in support of this effort. If you would like to set up a specific appointment time, please e-mail Missie Knight at mknight@zantechit.com.

Applicants must meet government security requirements and may be subject to a background investigation. Zantech offers competitive salaries, bonuses, opportunities for training and career advancement and an excellent benefits package that includes company-paid health/dental, life and disability insurance, tuition reimbursement and a 401(k) retirement program with matching contributions. To submit your resume and review our complete job opportunities, visit our employment page at www.zantechit.com or email to mknight@zantechit.com.
